Annex: Brief description of the selection procedure

The National Jury for the National Competition Young Physicists Tournament is elected by the Ministry of Education and Science for each year. The National competition is organized usually at the beginning of February each year. It follows the procedure of the IYPT with selective fights and final fight. On the base of the team and individuals' performance the Jury selects the members of the National team for the International Young Physicists Tournament together with the two team leaders for each year. One of the team leaders is now suggested for IOC representative. If there are changes of the team leaders for the next years and respectively in our IOC representative, we will inform you in an official form.
