

International Young Physicists' Tournament

2023

EC minutes 21st July 2023 in Murree

The EC met on 21st July, 2023 at 21:30.

Present: Martin Plesch, Mihaly Hömöstre, Giorgi Khomeriki

Guests: Felix Engelmann, Veronika Ucekajova, Natalia Ruzickova

The behavior of Feng Song was discussed. Feng Song assaulted several people today during the 4th PF and during dinner.

The conclusion was the following:

Feng Song is not allowed to attend IYPT 2023 activities - common dining, PFs, and excursions.

That means, he can't step on the floors, where the PFs take place - the two top floors of the hotel from 9 AM on 22nd July 2023.

In case of violation of this EC decision, this will be enforced by local security.
