This document is prepared by Mr Louis Wong, the Hong Kong Young Physicists' Tournament (HKYPT) organising committee chairperson, outlining the selection procedure of the participants forming the Hong Kong team joining the IYPT 2024.

In the name of HKYPT organising committee, a mass invitation email was sent in August every year to all the IB schools in Hong Kong. The email described the purpose of HKYPT, timeline and competition details. **Fig 1** is the timeline for the reference.

HKYPT took place at one of the participating schools in January. **Fig 2** is the event schedule. Following the same format of IYPT, each team (from the same school) will compete as the reporting and opposing team once. All the jurors fulfilled the requirements of IYPT (most of them are physics professors from the local universities). With the IYPT scoresheet, each team's performance will be calculated. The team will be ranked based on the final scores. Top five teams will be eligible to send one student from their team to form our Hong Kong team. If any of the teams forfeit this opportunity, the next ranked team will be eligible (i.e. ranked 6th and onwards) to do so. This is to encourage the participation from more secondary schools in Hong Kong.

General timeline of HKYPT 2024

- 15 Sep 2023 - Expression of Interest by the schools (Email) Deadline
- 31 Oct 2023 - Indicating the problem preference (Google Form)
